Mrs. Caroline Asenath Wetherbee.

Mrs. Caroline Asenath Wetherbee, who has been in failing health for the past few years, passed away suddenly about S. 30 Sunday evening at her home on Crescent street. Death was due to apoplexy.

Mrs. Wetherbee was 77 years of age. She was the daughter of Addison and Abigail Holt Latham and was born in Vermont, March 8, 1838. She came to Norway with her parents to live when she was about a year old and received her education at the Norway Liberal Institute.

On Oct. 9, 1860, she was united in marriage to Silas H. Wetherbee. Two children were born to them, Arthur L., who died May 14, 1890, at the age of 27 years, and Frank N., who lived only three and a half years.

Mr. and Mrs. Wetherbee have resided in Lyndonville, Vt., Berlin, N. H., Boston, Mass., and Sumner, returning to Norway about twenty-five years ago. Mr. Wetherbee was a well known traveling salesman until his death which occurred April 14, 1902

Since his death Mrs. Wetherbee has kept her home on Crescent street and her granddaughter, Leah A. Wetherbee, has resided with her. Miss Wetherbee is the only surviving relative of the immediate family.

The funeral was held Tuesday afternoon at 2 p. m., at her late home attended by Rev. C. G. Miller of the Universalist church, of which she was a member. The bearers were Charles F. Ridlon, Stephen B. Cummings, George F. Hathaway and George L. Curtis. Burial took place in the family lot at Pine Grove cemetery.

Among those from out of town who attended the funeral were Mr. and Mrs. Sam Swett of Mexico, Mrs. Agnes Raynes of Pownal, Mrs. Abbie L. Ross of Gorham, N. H., Mrs. Blanche Frazer of Berlin, N. H., and Mrs. H. S. Sanders of Portland.

The flowers sent by her many friends and neighbors were many and beautiful.

Basket Ball.

The last basket ball game of the season was held Friday evening at the Opera House, and closed a very successful season.

This game was between the Norway Independents, which in reality was the Norway High team. Shepard and Smith having recovered from their injuries, and was won by the Norway team 29 to 26. The Portland team was a strong team and played hard up to the last. At one point in the second half there was only one point difference in the score.

The first half ended with the score 18 to12 in favor of Norway, Portland throwing one ball just as the whistle sounded to end the half. The last half saw some very fast playing, and Portland outscored Norway 14 to 11 in the half, but this gain of three points was not sufficient to wipe out Norway's lead.

The game was well played by both teams, was fast, clean and interesting, and if the Portland boys come here again next season, they will receive a cordial welcome because of the kind of basket ball they have played here this year.

What came very near being a serious fire was the burning out of a chimney in Guy Eastman's house Sunday morning about 8 o'clock, a. m. The dense smoke surrounding the house was the first intimation to near neighbors and the inmates of the danger, and help was quickly on hand to check the flames.

George H. Coleman, a retired fireman formerly of Boston who was near by, was sommoned and worked bravely with means at hand, which included salt and water, etc. Everyone helped wherever needed, and the excitement lasted till the fire was extinguished.

Mr. Coleman is suffering from burns upon one of his hands and arms but no other serious results beyond the fright of those who looked on.

Mr. Eastman carries an insurance and the loss will not be very heavy.

Meeting of S. L. Club.

The Sterling Literary Club met Wednesday, March 17th at the home of Mrs. Kate Meserve, the president of the club. There was a small attendance due to various causes, but those able to be present enjoyed the meeting even if it proved less formal than upon other occasions. There were readings by Mrs. M. A. Hill and Mrs. Abbie Andrews with our neighbor republic of Cuba as the text. Plans for future meetings of the club were suggested before the adjournment. After which was announced the next meeting on March 31st with Mrs. Andrews.

March 31st the S. L. C. held a meeting at which nearly all the members were present and tuned to concert pitch with interest. The Republics of Central America proved an entaining study to which each member contributed a part with a reading that enhanced the pleasure of all.

Mrs. Andrews, the hostess, served her guests with chocolate ice cream after the adjournment was declared, and the party separated duly refreshed and anticipating a good time for the next meeting.

The schoolhouse has been improved by a coat of paint and new roofing, and school has been re-essembled this week after the vacation of three weeks which ended April 4th.

Much lumber "in transit" daily indicates that improvements are in contemplatation, and that business at the mill by the pond is going on briskly.

Prof. C. A. Stephens very kindly loaned The Ladies' Improvement and Dramatic club his apple house in which to play their drama, The Dutch Detective, last Friday night, and all roads seemed to lead there too. The building proved just the place needed and the play was a success in every way, all parts being exceedingly well taken. There was a good sized audience and the proceeds were very satisfactory. After the play, Mr. and Mrs. Nathan Noble very kindly furnished music on the violin and organ and several old time dances were much enjoyed.

IT'S A MISTAKE

Made by Many Norway Residents.

Many people in a misguided effort to get rid of kidney backache, rely on plasters, liniments and other makeshifts. The right treatment is kidney treatment and a remarkably recommended kidney medicine is Doan's Kidney Pills. Norway is no exception.

The proof is at your very door. The following is an experience typical of the work of Doan's Kidney Pills in Norway.

"Doan's Kidney Pills are the only kidney medicine I use and they always give me relief," says W. O. Needham, retired farmer, of Main St., Norway. "Several years ago I heard about Doan's Kidney Pills and I began using them. They got my kidneys working right and when that was done, the uric poison in my system was removed. I procured Doan's Kidney Pills at Stone's Drug Store and I know that they can be relied on."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills, the same that Mr. Needham had, Foster-Milburn Co., Props., Buffalo, N. Y. 14-15

TEN WEEKS IN BED---EMINENT PHYSICIANS FAILED---WONDERFUL RECOVERY.

I wish to inform you of the great benefit I have derived from the use of Swamp-Root. I had been a sufferer for more than twenty years from kidney and liver trouble and was almost constantly treated by the most eminent physicians who could only give me temporary relief. I had been in bed ten weeks when I began the use of Swamp-Root. Inside of twenty-four hours I could see that I had been greatly benefited. I continued to use Swamp-Root until I had used several bottles when I really felt that my old trouble was completely cured and I am positive that any person suffering with kidney or liver trouble can be cured by the use of this preparation.

I am now in the best of health, better than I have been for ten years or more. I do not know how to express myself as strongly as I desire, in favor of Dr. Kilmer's Swamp-Root, as I am sure that it saved my life and that my good health is due entirely to this great remedy. I heartily recommend it to every sufferer and am confident they can be benefited as I have been. It is a pleasure for me, gentlemen, to hand you this recommendation. MRS. H. J. PRICE,
1406 Center St. Portsmouth, Ohio.

Personally appeared before me this 13th of September, 1909, Mrs. H. J. Price, who subscribed the above statement and made oath that the same is true in substance and in fact.

R. A. CALVERT,
Notary Public.

The ladies gave a short play entitled, Young Dr. Devine, and the gentleman dressed for the occasion, a comedy, The Great Pumpkin Case, Muff vs. Guff, which was well carried out and the laughs were well worth the price of admission. Man Takes His Own Medicine Is An Optimist.

He has absolute faith in his medicine—he knows when he takes it for certain ailments he gets relief. People who take Dr. King's New Discovery for an irritating Cold are optimists—they know this cough remedy will penetrate the linings of the throat, kill the germs, and open the way for Nature to act. You can't destroy a Cold by superficial treatment—you must go to the cause of the trouble. Be an optimist. Get a bottle of Dr. King's New Discovery to-day. 12 15-18-21

Corn-Mad? Use "GETS-IT," It's Sure

Makes Corns Vanish Like Magic!

A hard cap of skin makes up every corn. When you put 2 drops of "GETS-IT" on it, it shrivels up and comes right off—and there's your corn—gone by thunder! Simple as taking off your hat! That's why corn-millions have gone wild over "GETS-IT"—nothing like it ever known. Some folks, to this day, putter around with bandages, sticky tape, thick plasters, corn "pulling" salves, gouge corns out with knives, snip them with scissors, make them bleed and then howl because they can't get rid of sore corns. Use "GETS-IT." There's nothing to do but apply 2 drops. The work is done, "GETS-IT" does the rest. No pain, no fussing, no changing shoes, no limping. It never fails. Try it tonight for any corn, callus, wart or bunion. Be sure that you get "GETS-IT" and nothing else.

Mi-o-na Quickly Ends Indigestion

Eat Your Favorite Food and Never Fear After-Distress.

There is a way for you to eat whatever your stomach craves and do it over again the next day. Many will say, "How I wish I could but I have tried and every time it nearly kills me."

The real trouble is that people who suffer the untold agony of indigestion, do not properly care for the stomach.

Every stomach has a lot of work to perform in digesting the food and if crowded with extra labor it rebels and kicks up a fearful disturbance.

Mi-o-na, a simple, harmless, inexpensive and most effective prescription, easily obtained at any drug store, will quickly stop this disturbance. Mi-o-na was especially prepared to regulate out-of-order stomachs. It not only helps the over-worked digestive organs by increasing the flow of gastric juices, but surely and safely builds up and strengthens the stomach walls so that the stomach can care for the food as nature intended.

It's needless for you to suffer with indigestion, heartburn, billiousness, sour gassy or upset stomach, for Mi-o-na should give prompt and lasting relief. Do not delay but get some of these health-restoring tablets from Noyes Drug Store today. If Mi-o-na does not banish all stomach distress, there will not be a penny of expense. 13&15

THE care with which a Hudson Six is looked after is your insurance that it will give you permanent satisfaction.

The Hudson is so well designed, and so well built, of such sturdy material, that it calls for but little care.

The attention needed to keep it in excellent condition at all times is furnished by our Perpetual Service Plan.

There are numerous 1914 and 1915 Hudson Sixes in this community that have not cost their owners ONE CENT for upkeep expense, save of course gasoline, oil and tires.

This is the reason you see so many Hudsons on the streets. This is why Hudson owners are so well pleased with their cars.

THE HIGH BAILIFF

Of Chittenden County, Vt., Tells How He Keeps His Blood Pure.

Bailiff Romeo A. Norton, Huntington Centre, Vt., says:

"I am enjoying good health, keeping my blood pure by the use of Hood's Sarsaparilla. It is the best, and I always have it in the house.

"I was completely laid up with inflammatory rheumatism. I tried several different medicines, and employed a skilful doctor, but did not get any better. Having known about Hood's Sarsaparilla for fifteen years, I concluded to give it a trial. After taking the first bottle I began to improve, so I took several bottles more, and was entirely cured. I have the utmost confidence in this medicine as a blood purifier and spring tonic."

Rheumatism depends on uric acid in the blood, and thousands of cases have been successfully treated with Hood's Sarsaparilla which purifies and enriches the blood and builds up the whole system.

Hood's Sarsaparilla is a peculiar combination of blood-purifying and strength-giving substances. No other medicine has the same formula or ingredients. It is an all-the-year-round constitution remedy and the best spring medicine.

Accept no substitute but get Hood's and get it today.

Strike when the iron is hot and paint when the property needs it.

They paint ships a dozen times a year; yes, some of them, every voyage. What for, do you think? To look nice and get business.

A man, with a house for sale or to let, "does it up," and Devoe is the paint.

There's more in paint than to keep-out water. Paint for looks and you needn't thing about water. A fresh coat of paint once a year is about as good for his credit as paying his debts. But the man whose buildings and fences look new, very likely, has no debts.

A HOUSEHOLD REMEDY
that has Lead for 60 years

must be very, very good. Otherwise, it couldn't stand this test of time.

Since 1850 "L. F." Atwood's Medicine has been a leading household remedy. For 63 years it has proven its worth as a remedy for all stomach, liver and bowel troubles—and as a tonic of exceptional effect.

Mrs. Cutler's letter simply adds to the overwhelming evidence:

Farmington, Me.:

"I have had quite a long experience with "L. F." Atwood's Medicine. I have used it for years as a family medicine, a laxative, and for the stomach. I use nothing else for the children. I know of no medicine that could take the place of "L. F." Atwood's Medicine as a household remedy."

Sprains, Bruises Stiff Muscles

Sloan's Liniment will save hours of suffering. For bruise or sprain it gives instant relief. It arrests inflammation and thus prevents more serious troubles developing. No need to rub it in—it acts at once, instantly relieving the pain, however severe it may be.

Here's Proof

Charles Johnson, P. O. Box 105, Lawton's Station, N. Y., writes: "I sprained my ankle and dislocated my left hip by falling out of a third story window six months ago. I went on crutches for four months, then I started to use some of your Liniment, according to your directions, and I must say that it is helping me wonderfully. I threw my crutches away. Only used two bottles of your Liniment and now I am walking quite well with one cane. I never will be without Sloan's Liniment."

There exists a prevailing opinion in the minds of those who have used the King road drag that the persistent use of this simple drag will do the ordinary earth roads more good for the amount of time and labor required than any other method of working ever proposed. Mt. Hood Record Won by Hudson Six.

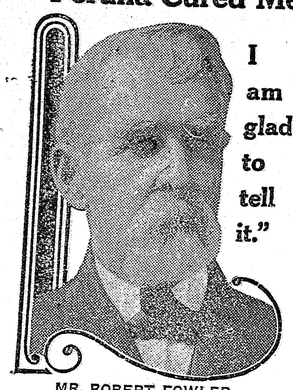
"The distinction of being the first automobile to climb Mt. Hood, Oregon, as far as Rhododendron Inn, in the month of January, was won on Jan. 24 by the 'Hudson Light Six-40'" says A. B. Henley of the Henley-Kimball Company.

"Rhododendron Inn is 54 miles from Portland and well up the slopes of Mt. Hood. It is no difficult matter to automobile to Cloud Cap, on Mt. Hood in the summer time. But to make a trip such as was made by the Hudson Six in the month of January is a feat that never before has been accomplished.

"Not until the Huhson struck snow about five inches deep was it turned about for the return trip. At the inn the passengers were delighted with the information given by the keepers that the Hudson Six was the first car to reach that point as early in the year as January.

"On the return trip the Hudson Six left the Inn at 4 o'clock and reached Portland at 6.50 p. m., making the 54 miles without the car being stopped once. For the round trip there was used 7½ gallons of gasoline and 15c worth of oil. This is a little better than 14 miles to the gallon for a mountain trip up Mt. Hood in January, something unique in the annals of mountain motoring."

"Peruna Cured Me



I am glad to tell it."

MR. ROBERT FOWLER,
Of Okarche, Oklahoma.

Mr. Robert Fowler, Okarche, Oklahoma, writes:

"To any sufferer of catarrh of the stomach. I am glad to tell my friends or sufferers of catarrh that seventeen years ago I was past work of any kind, due to stomach troubles. I tried almost every known remedy without any results.

"Finally I tried Peruna, and am happy to say I was benefited by the first bottle, and after using a full treatment I was entirely cured.

"I am now seventy years old, and am in good health, due to always having Peruna at my command. I would not think of going away from home for any length of time without taking a bottle of Peruna along for emergency.

"You are at liberty to use my picture and testimony if you think it will help any one who has stomach trouble."
